Subject: FW: EPA Stormwater Finance Webinar Series

Hi folks:

Just an FYI on this upcoming EPA webinar series.

Feel free to forward this to anyone you think may be interested.

Thanks,

EPA's Water Infrastructure and Resiliency Finance Center Hosts Stormwater Finance Webinar Series

EPA's Water Infrastructure and Resiliency Finance Center is hosting a stormwater finance webinar series in collaboration with the Water Environment Federation.

Communities across the county are struggling to identify a financing strategy to support their stormwater management programs. This webinar series will explore both

traditional stormwater financing strategies as well as new and innovative approaches.

Each webinar will provide a deep-dive, technical overview of specific successful and leading-edge examples of how communities have supported their stormwater programs

Audience: Municipal administrators, planners, public works officials, community leaders, technical assistance providers, and regional funders.

Time: 2:00—3:00 pm EDT

- May 11, 2017 - **DC Water’s Environmental Impact Bond (EIB)** [Register for webinar](#)
- May 23, 2017 - **Washington DC’s Stormwater Retention Credit Program** [Register for webinar](#)

Additional stormwater finance webinars to be announced soon!
